Dear Dr. Oliver:

I am writing to notify you that StoneSprings Surgicenter, LLC intends to apply for a certificate of public need to establish an outpatient surgical hospital with two operating rooms on the campus of StoneSprings Hospital Center in Planning District 8. The operating rooms for the outpatient surgical hospital will be transferred from StoneSprings Hospital Center. As you know, StoneSprings Surgery Center was previously awarded COPN No. VA-04542 (December 15, 2016) to establish an outpatient surgical hospital with one operating room. However, StoneSprings Surgicenter, LLC has determined that the surgery center will require two operating rooms (instead of the one currently authorized). Accordingly, StoneSprings Surgicenter, LLC will seek COPN approval for an outpatient surgical hospital with two operating rooms.

I would appreciate it if you would provide me with the appropriate forms. As always, thank you very much for your assistance with this filing.

With kindest regards, I remain

Very truly yours,

Thomas J. Stallings
